Refreshments request from Gill Payne

First of all I would like to thank all those who faithfully serve in this ministry. However our numbers have greatly reduced due to illness, injury or plain old age! We now really need more helpers. With enough people it would mean serving once every 3 months.

If you feel you could help, please speak to Gill as now is the time to create a new rota from February to September.

It is a great blessing to us all and can be an opportunity to get to know people and meet visitors.

Message from Stepping Stones

Thank you for the donations received for Stepping Stones from the Christmas card and donations received. This work is maintained through the generosity of our supporters, so a very big thank you from the boys and girls and staff in India and here in the UK.

God bless.

Some Information about Stepping Stones:

Stepping Stones Ministries is a UK Christian charity established in 2004 to raise funds and facilitate projects that alleviate the effects of poverty in rural West Bengal, and other areas in India. Its founders and trustees all live in Scarborough, North Yorkshire, England and meet regularly to facilitate the work of the charity.

The charity enjoys close links and support from individuals, families and churches across the UK who sponsor the children in our care and the projects we undertake.

The Stepping Stones Centre in Ranaghat, West Bengal is now home for up to 80 vulnerable boys and girls and is the administration centre for projects that assist families vulnerable to exploitation, sickness, hunger and/or those effected by natural disasters which are happening more frequently due to global warming.
