Rainbow Centre Harvest collection

Thank you for your food gifts for The Rainbow Centre

Every Sunday we have the opportunity to contribute to a box of food stuffs for The Rainbow Centre. The staff are so grateful for what we donate, as are the people who are helped by what they are gifted, as well as the support and advice they receive at the Centre. This was a bumper box from our Harvest service!! If you are able, please bring items each Sunday and place them in the box which is usually at the right side of the platform.

Barn Dance 5th October

The Barn dance on 5th October was a great success. There was lots of banter and laughs as we were guided through a range of dances.

The band was excellent as was the caller who said she was impressed with how enthusiastic everyone was in joining in. It was certainly an energetic evening

A lovely ploughmans supper was provided by the catering team and it was a great opportunity to socialise and get to know each other better.

THE ROCK

A 'Son et Lumière' Music Event
At St Peters Church, Hackness
on
Friday 1st November 2024
and Saturday 2nd November 2024

With Hackness Ladies' Choir,
A Capella and singer Saffron de Bonheur

Doors open 6.30 pm
Performance at 7.00pm Prompt
Tickets £15.00

These performances promise to be spectacular events and very different from anything that might have been performed at St Peter's before.

St Peter's - named for the disciple Jesus|called "The Rock", has been here over many generations, through many changes of society. The Rock begins with music influenced by that of monks from ages past, moving then from the Viking invasions to a piece concerning Margaret Hoby who was a prominent Hackness lady in Elizabethan times.

After a short break we will pay respects to the earth and nature, ending with voluntary audience participation in singing as part of this - sending us out we hope on a joyful high note at the end of the evening.

The event is in support of raising funds for St Catherine's hospice. It includes a spectacular light show, film and live musicians with screens placed to help ensure that all can catch sight of each element of the performance. We are grateful to John Guthrie for sponsoring the lighting.

St Peter's is set in rural Hackness in the North York Moors National Park – there is roadside parking, do bring a torch to light your way and wear something to keep you warm for the evening!

Tickets are available online at www.ticketsource.co.uk/hacknesschurch
