There is something **extraordinary** happening right now amongst the student generation. The stories of students encountering God through the bible, visions and dreams and many more are growing. The Spirit of God is on the move and He is inviting us to join in. But, I'm so aware that so much of what we are seeing now is not without cost. The prayers and tears of a generation before that have contended for God to move in our land and in our time, we are now living in the answers to prayers we haven't even prayed.

Over the past 6 months, The Send UK & Ireland has created an opportunity for churches and organisations to gather together for the sake of one simple mandate, mobilising a generation to be on mission. In this, something so organic has emerged and has taken form and shape, which for me will have a radical impact on the landscape of student mission not just for now, but for years to come.

On **January the 31st 2025**, in 14 locations across the UK & Ireland, we are gathering for a night of prayer to contend for revival on our campuses called '**Do it Again**'. This is going to be done with friends UCCF, CUI, Agape, Navigators, Revive Europe, YWAM, Circuit Rider, 24/7 Prayer and us as Fusion, partnering with local churches and gathering students, this truly will be a landmark moment in the UK & IE for student mission.

This is the first time, a truly unified, collaborative prayer gathering has happened with all these organisations together.

We want to gather to pray, like it says in 2 Chronicles 7:14,

I believe as we gather across **14 locations** on one night, to pray, contend and cry out together for God to move mightily in our campuses again, our prayer is this.

Lord, Do it again in our time, do it again in our campuses, do it again in our nation.

Lord, DO IT AGAIN!

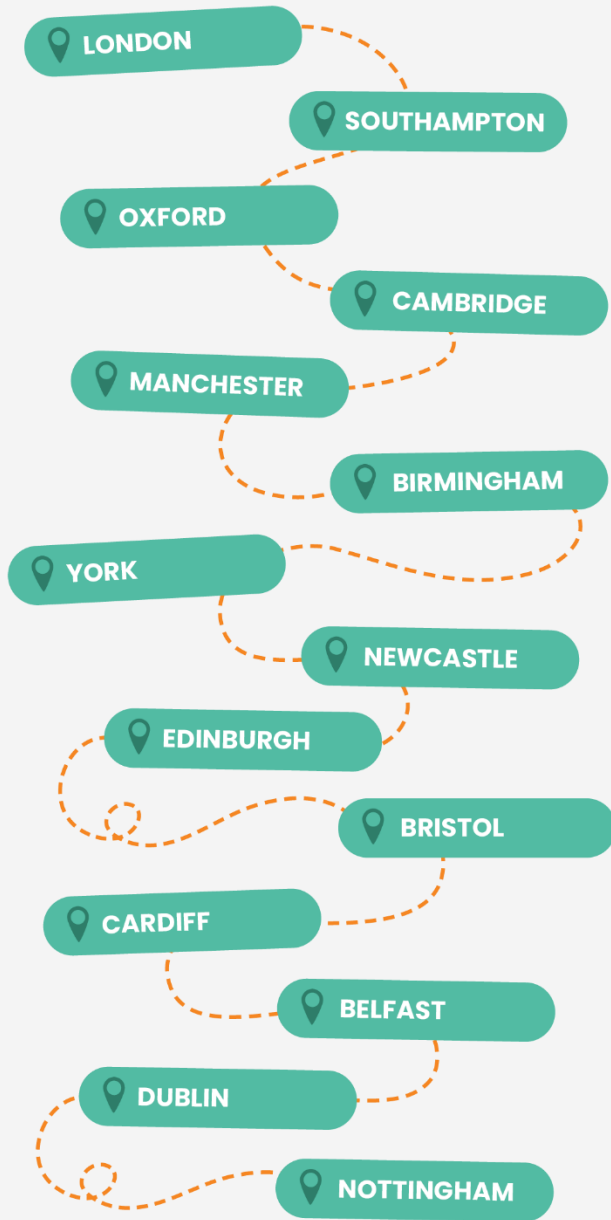

I'd love to invite you to pray, pray with us as we finalise church locations to host the nights, pray for the impact of these nights and for all that these nights might catalyse in the UK and beyond going forward, and finally, I'd love for you to join us across these locations, as we gather together to see revival across our campuses.
